I am a Management Information Systems student dedicated to developing skills in finance, data analysis, and digital marketing. I focus on continuously improving my research and communication skills to convey information accurately, clearly, and effectively. By combining analytical thinking with teamwork and a strong desire to learn, I aim to play an active role in projects that generate both technical and social value.

SKILLS

Technical: SQL, C#, MS Office, Canva, Basic Web Technologies, Python (Basic AI and Image Processing)

Analytical & Business: Financial Literacy, Business & Management Knowledge, Process Planning, Problem Solving

Communication: Presentation and Moderation, Teamwork, Event Coordination, Written and Verbal Communication

EDUCATION

Firat University - Management Information Systems

October 2023 - Present

- GPA: 3.33/4.00

EXPERIENCE

Firat University HSD (Huawei Student Developers) – Vice President / Event & Sponsorship Committee | October 2024 – Present

- Managed team coordination, event planning, and representation processes as Vice President.
- Undertook moderation, presentation, and panel management duties for numerous events with 100+ participants.
- Organized speaker coordination, program flow, and stage management by communicating with companies such as Huawei, Turkcell, Türk Telekom, Dias Technology, and Doğuş Technology.
- Actively participated in sponsorship correspondence, official communication, content preparation, and stakeholder relations.

Desa Deri – IT Intern (Compulsory Internship) | July 2025

- Provided technical support and troubleshooting for end-user devices, network hardware, and peripherals.
- Examined switch/router architectures and server room systems.
- Assisted with software installations, Excel data integration, and user support processes.

Austrian High School Association "I Want to Work" Project – Participant | July 2025

- Received training in career development, self-regulation, interviewing, financial behavior, and AI strategies.
- Developed professional communication, teamwork, and self-confidence.
- Completed the program with a certificate from the Austrian Consulate.

PROJECTS & VOLUNTEER WORK

TÜBİTAK 2209-A Research Project – Researcher (March 2024 – March 2025)

- Developed an AI-based image processing model to recognize Turkish Sign Language gestures. Used Python, OpenCV, and Matplotlib for data preprocessing, feature extraction, and model evaluation.

Silk Road Disaster Volunteers Project – Disaster & Search and Rescue Training (October 2025)

- Received theoretical and practical training in search and rescue, firefighting, hazmat, psychosocial support, and tent setup. Participated in joint drills with UMKE, AFAD, fire departments, and health teams. Became an official Yeşilay volunteer.

KA154 Erasmus+ Youth Project (Ankara) (November 2025)

- Participated in sessions on the "Economic Burdens of the Climate Crisis," focusing on sustainability and environmental impact. Gained experience in collaborative solution development and cultural exchange. Completed the program with a Youthpass certificate.

T3 Foundation – Volunteer (April 2024 – Present)

- Contributed to the organization and coordination of technology and education-focused events.

Theater Training & Stage Experience – Elazığ Municipality Art Academy (October 2024 – January 2025)

- Developed public speaking, self-confidence, and creative expression through stage experience. Took active responsibility in script, set design, and backstage processes.
